

# Sawyer Motorized Band Crawler

## Model 206J

### Overview

Increase cut quality and productivity with the Sawyer Motorized Band Crawler. This Band Crawler features an electric motor drive that is AC or battery powered - using a 20 volt DeWalt style battery (not included). This is a simple upgrade that includes a mounting bracket and connector to connect to the crawler.

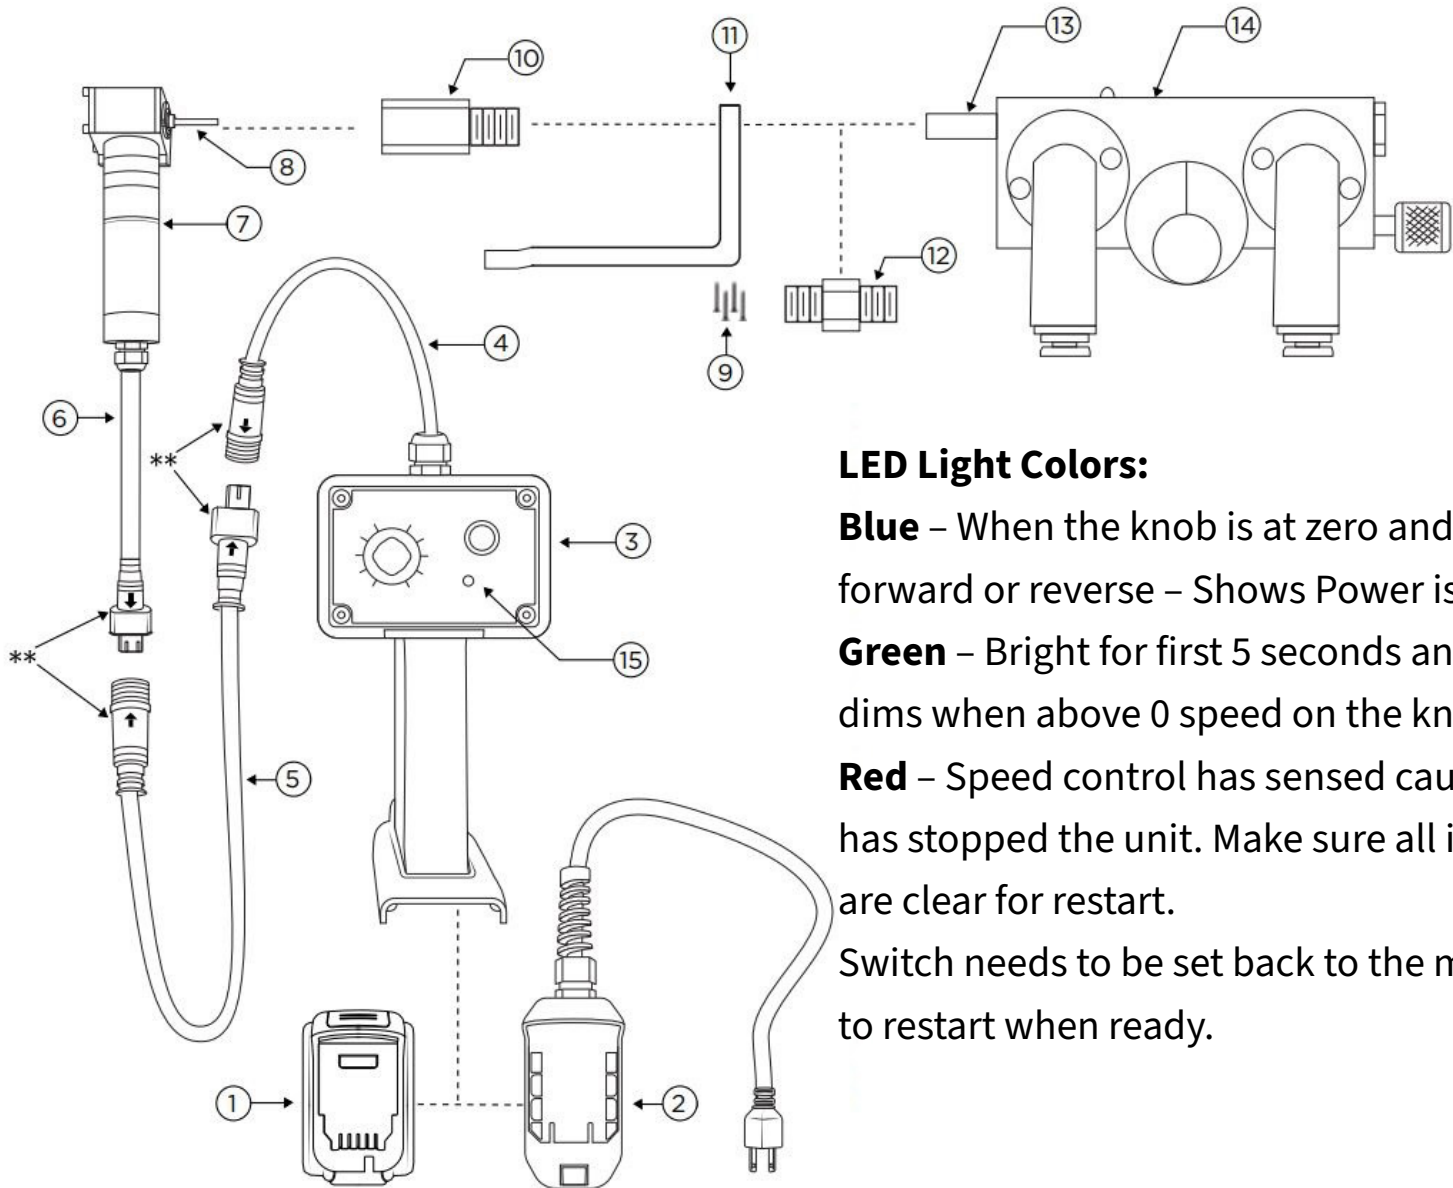

#### INCLUDES

- Brushless Motor
- Crawler
- Control Box
- Extension Cord
- Mounting Bracket
- AC Adapter

### Features and Benefits

- Industrial grade, brushless motor for durability and long life.
- Battery-powered, using a DeWalt style 20v battery (not included)
- Intelligent speed control with a range that allows for flame or plasma cutting.
- Extension cords and plugs are water, arctic, and flame resistant.
- Durable cast aluminum motor mount increases rigidity.
- High visibility yellow polymide control box with integrated handle.
- Shielded magnet included on the control box for attachment to pipe during use.

## Parts List

### LED Light Colors:

**Blue** – When the knob is at zero and in forward or reverse – Shows Power is on.

**Green** – Bright for first 5 seconds and then dims when above 0 speed on the knob.

**Red** – Speed control has sensed caution so has stopped the unit. Make sure all items are clear for restart.

Switch needs to be set back to the middle to restart when ready.
